

To whom it may concern,

The company MarkaVIP General Trading L.L.C has been working with Mi Momento L.L.C. for few years now. We introduced many brands represented by them, with huge success. It's fair to mention a few of them which sold on flash sales through 3 days in over 1000 pieces each brand (brands like Makadamia, Lemoniade, Moe, Bas Bleu, Art of Polo and another). We did several smaller campaigns as well, with all the greatest feedback from our customers. I honestly can recommend the collaboration with Mi Momento – always professional and nice.
